MOTOR VEHICLE ACCIDENT GUIDANCE NOTES AND REPORT FORM

MOTOR VEHICLE ACCIDENT CLAIMS

Guidance Notes

The following notes have been prepared to help you make your claim. We recommend that you read them carefully BEFORE submitting your form OR taking steps to have any repair work done.

All Policyholders

- It is a condition of your Policy that you notify us of all accidents.
- 2. The accident report form should be completed and returned to us as soon as possible.
- 3. The questions should be answered as fully as possible. Do not delay sending in your form if you are unable to provide all the information immediately. These details can be sent to us at a later data.

For Comprehensive Policyholders

- The submission of a report form will not always mean that a claim will be recorded under the terms of your policy.
 - We appreciate that in some circumstances, you will wish to deal with the accident yourself and will not want us to take any action with regard to the repairs to your vehicle or in dealing with any Third Parties. If this is the case, please tick the box on the top left of the claim form. We will then note that your report form is for information purposes only.
- 2. If you are making a claim for repairs to your vehicle, we would prefer that you use one of our Recommended Repairers.
 - These garages have been carefully selected and will prepare an estimate which will be sent direct to us. Arrangements will be made for repairs to commence as soon as possible.
 - Once repairs are completed, we will settle the account direct with the garage (less any amount you are required to pay under the terms of your policy).

- Our Recommended Repairer Scheme has been designed so that you may also enjoy the following benefits:
- free collection and delivery of vehicles within the Island.
- free valeting of vehicles on completion of repairs.
- loan or hire cars at preferential rates while your vehicle is in for repairs (this expense is not covered by your policy).

Please contact us, or your broker, for details of the Recommended Repairers in your area.

3. If you should decide not to take advantage of our Recommended Repairer Scheme, we will require two written estimates for our consideration.

If you have any queries please do not hesitate to contact ourselves or your broker.

TEAR OFF THIS SHEET AND RETAIN BEFORE RETURNING COMPLETED FORM TO US.
